

Safecoat Roofing & Foundation

We offer the most comprehensive collection of high quality, high-performance solutions available to preserve your health and protect your home or building from harsh or dangerous toxins and chemicals. Our diverse product range includes all-weather sealers specially formulated for roofs and decks, high-moisture areas, driveways and asphalt.

DynoSeal

Safecoat DynoSeal is a sophisticated, low-odor, all-weather, waterproof, vapor-proof coating and sealer that remains flexible for years. It is highly resistant to flame spread and temperature change, and when cured is also highly resistant to gasoline, oil, grease, fungi, acids and alkalines. It has very low odor upon application and is odor-free once cured. Also an excellent exterior below grade masonry or wood sealer.

Dynoflex

Safecoat DynoFlex is a unique, water-based, low-odor elastomeric sealer that comes in a paste-like compound for sealing seams, joints and cracks in new and old heating and air conditioning ducts, and for repairing metal roofs and asphalt shingles.

Dynoflex Roof Guard

Safecoat DynoFlex Roof Guard is a unique, water-based, low-odor roof coating suitable for properly primed roofs. It is mildew- and water-resistant and resists weather elements. DynoFlex Roof Guard has excellent bridging qualities and can be used to patch, seal and bridge hairline cracks. Excellent elongation and waterproofing qualities when applied at proper film thickness.
