WELCOME TO KÄHRS

Never before has it been so inspiring, with so much to choose from. On the pages that follow, you'll get a first glimpse of our many new and exciting designs, along with an insight into our full range of wood floors. For even more ideas, visit our new website, at www.kahrs.com, where you can design your own interior, mixing and matching floors in different room styles, and with different wall colors. On our home page, you'll find links to all the information you need. Enjoy! See more on pages 32-33.

SMÅLAND COLLECTION

The wild beauty of Småland is the inspiration for our new collection of unique, rustic floors.

BLOC COLLECTION

The idea is simple, the possibilities endless, with three modular formats in three different shades.

REAL COLLECTION

If you want your floor to make a big style statement, take a look at our new Real Collection.

GREEN MINDSET

We are committed to incorporating ethical principles throughout all areas of our production, both locally and globally.

KÄHRS
SUPREME

SUPREME QUALITY AND CRAFTSMANSHIP
Kährs combines unrivalled hand-made craftsmanship, outstanding design and the latest production and surface techniques to create floors of distinction, all united by striking, exclusive looks and absolute attention to detail.

INTRODUCING SMÅLAND COLLECTION SOAKED IN HISTORY

The historical roots of Småland are to be found in its mythical forests. Few dared to enter into their dark, mysterious wilderness and even fewer dared to challenge the thirteen chieftains who held them in their power. The collective name for them, first mentioned in 12th century, was Småland – meaning small countries in Swedish.

See the whole range and try them out in different room settings at kahrs.com

INNOVATION
*Kährs invented the
modern wood floor.*

Aspeland **NEW**

HISTORY

Kährs has been producing Swedish quality and design for over 150 years.

NEW Kinda

SMÅLAND COLLECTION

Each plank is individually treated, according to its unique composition of knots and grain. The result is a dynamic surface that changes depending on the lighting in the room and from which angle it's viewed.

CONCEPTUAL DESIGN

Kährs ID is our brand new concept for developing the next generation of cutting edge wood floors. Based on our extensive experience, we've explored and developed new pathways and possibilities in wood flooring.

INTRODUCING BLOC COLLECTION

The idea is simple, the possibilities endless, with three modular formats in three different shades. Use them to create your own unique pattern, from geometric to classical, or something with your own modern twist. Changing the direction of the grain creates a dynamic effect, bringing the surface to life.

A GREEN MINDSET

Environmental, social, governance (ESG) and corporate social responsibility (CSR) matters impact the communities where Kährs operates. We have made a public commitment to incorporate these ethical principles into the way we behave locally and globally.

Our commitment to the environment starts with the selection of the best raw material. This is achieved with the support of our 3000+ timber suppliers who share in our commitments.
